Are you talking about your former tutor, the one you're dating?
If only I was pretty and mature looking like Saya-chan, that would be one thing...

... I was just wondering if she's satisfied with me.

... It's time. I have to get going.
And the other day, she...
It seems like... I'm the only one into our relationship. I wonder if she's tired of me...
...
...Yeah.
Lately we don't get to see each other much.
We've been dating for two months. We've had... s-sex, but...
Now that's not true.
I guess we aren't a good match...
I'm short, young, and there's nothing special about me.
You are cute, Kina.

This is the first birthday of yours we're celebrating since we starting dating.
I wanted to get you a present, so I started taking on more part-time work.
And then I had to prepare for all of my student teaching classes, too.

She remembered my birthday.
I'm sorry.
Sensei... she didn't say anything, so I was worried.

You dummy.

Don't do that.
You should spend a lot more time with me.

Hmm, then once I graduate, how about I become a teacher at your school?
Then we can have as much sex there as we want.
Jeez... I don't get why someone would want to become a teacher.

Sensei gave me a rose pendant for my birthday.
You idiot!!
